

Peace of mind with millions in extended deposit insurance* for Probate Express Online Estate Accounts.

This account includes an **Extended Insurance Account** for estate balances above \$250,000, providing access to millions in extended NCUA share insurance through participating credit unions, while maintaining only one estate account with Quorum Federal Credit Union.

What is an Extended Insurance Account?

An **Extended Insurance Account** provides millions in extended NCUA (National Credit Union Administration) insurance on the estate account by distributing balances in amounts under the \$250,000 coverage threshold to participating network credit unions. By placing funds under the limit at each credit union, the entire estate account balance can be insured by the NCUA's Share Insurance Fund.

Extended Insurance Accounts allow Executors and Administrators to maintain the flexibility and simplicity of a single estate account, while Quorum manages fund placement and provides 24/7 transparency into which credit unions are holding your accounts.

What do I need to know about Estate Accounts with an Extended Insurance Account?
